

FINHAM PARK
SCHOOL

Physical Education Department

Mr Amos – Head of PE

FINHAM PARK
MULTI ACADEMY TRUST

Physical Education

Curriculum intent:

In PE we want to inspire and motivate young students to participate and enjoy physical activity. We also want them to recognise the importance of physical, emotional and social well-being which continues into adulthood. The department is inclusive of all abilities and will give various opportunities for students to achieve, learn and enjoy sport. Our aims fall in line with the 5 key school values.

In KS3 the learning intent is to give students a broad curriculum breadth of different sporting activities to improve their knowledge and understanding, health & fitness and their opportunities to be competitive in sport. All students have 2 x 1 hour PE lessons per week. Students receive 7 blocks (different sporting activities) throughout the year. All students will have the opportunity to extend their K & U in an extensive programme of inter-college & enrichment based activities. The sporting year culminates in a whole school sports day, where 1500 students compete in a variety of sports
